Fixed Adder price as quoted in RFQ	\$ 0.1468 per gallon
Total delivered cost per gallon as shown on invoice upon delivery	\$ 2.8927 per gallon

**(Eight Hundred and Thirty Three Thousand gallons)**

This agreement is for a Fixed Adder price contract. The Fixed Adder will be added to the New York market price and adjusted by the yearly weighted average for the heating season curve for future market pricing.

Fixed adder pricing is net F.O.B destination including all customs duties and charges, and delivery of fuel oil into Agency's storage tanks. The Contractor has included all applicable fees and taxes associated with the supply of the actual Fossil Fuel requirements in the Fixed Adder. This is the quoted figure provided by the vendor in their response to RFQ 18P 10102600000000000439. Any variation to this quote will result in termination of the award.

The vendor will extend same terms to other governmental units where available. Local government units will approach vendor separately to finalize terms by calling the vendor directly.

Any gallons above those used in the contract will revert to daily spot price.

The vendor will deliver to all known locations as contracted as the attached list indicates. These locations will be serviced on a "keep-filled" basis unless and until otherwise instructed at a later date. Confirmation of a change in the delivery schedule will be sent by Alan Henry.

The vendor will provide a contact person, phone number and email address to coordinate delivery requests and handle routine matters.

### **Invoicing**

---

Agency Account numbers must be included on all invoices. Contractor shall provide the original invoice to the individual State of Maine department or locations as indicated on Attachment A to the billing address provided.

Notwithstanding any other provision of this Agreement, if the State does not receive sufficient funds to fund this Agreement and other obligations of the State, if funds are de-appropriated, or if the State does not receive legal authority to expend funds from the Maine State Legislature or Maine courts, then the State is not obligated to make payment under this Agreement.
